### Show What You Know Publishing

Show What You Know on the Common Core is a new diagnostic test-preparation program that charts students' proficiency with the Common Core state standards. Available for reading and mathematics in grades 3 through 8, each student workbook provides two full-length assessments for each subject, as well as glossaries of reading and mathematics terms. This program helps educators transition to assessing students on the new national Common Core state standards, which have been adopted in more than 40 states.

### Learning Advantage

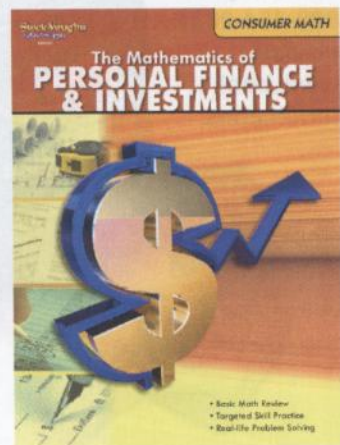

The new Movable XY Axis Pegboard features a sliding X and Y axis with two colors of pegs that makes coordinate graphing fun and easy to understand. The pegs can be used to graph points in one or all four quadrants, and show geometric

translations, rotations, reflections, data in bar or line graphs and more. It includes one pegboard, 25 blue pegs, 25 red pegs, an X and Y sliding axis, and rubber bands. To order, call 866-564-8251 or visit [www.learningadvantage.com](http://www.learningadvantage.com).

### Harcourt School Supply

The Consumer Mathematics series explores a wide range of highly relevant topics, such as using a calculator, calculating wages, filing income tax returns, budgeting household expenses, renting and obtaining a mortgage, investing, buying insurance and many more. Each book covers basic math concepts and skills before exploring the more specific topics. Clear explanations are followed by ample practice. Each section also has a pretest, a section review and a post-test. To order, call 800-603-4063 or visit [www.harcourtschoolsupply.com](http://www.harcourtschoolsupply.com).
